

START-UP YOUR SWISS HLG MEMBERSHIP!

Swiss HLG is a dynamic group of healthcare licensing professionals. They work together to serve those actively involved in business development and licensing within the pharmaceutical, biotechnology and healthcare industries. Within that framework, we are also committed to the support and development of the *Swiss Healthcare Start-up scene*.

To best support start-up companies, we have developed a unique membership package, tailored specifically to meet your needs.

HOW TO QUALIFY?

- Your organisation has been established for 5 years or less
- You have less than 20 employees
- You do not book sales
- You are an R&D organization
